Remember Familiar Faces!

These faces are ones
we've seen a lot this year.
They have reflected love,
encouragement, and some-
times disappointment.

MRS. RUTH WALKER
Office Secretary

After school hours, we find the annual staff begging for ads, grafting, cropping, and planning. The 1972 Annual Staff presents the HORNET in hopes that you will REMEMBER.

Remember Homecoming

Dedication

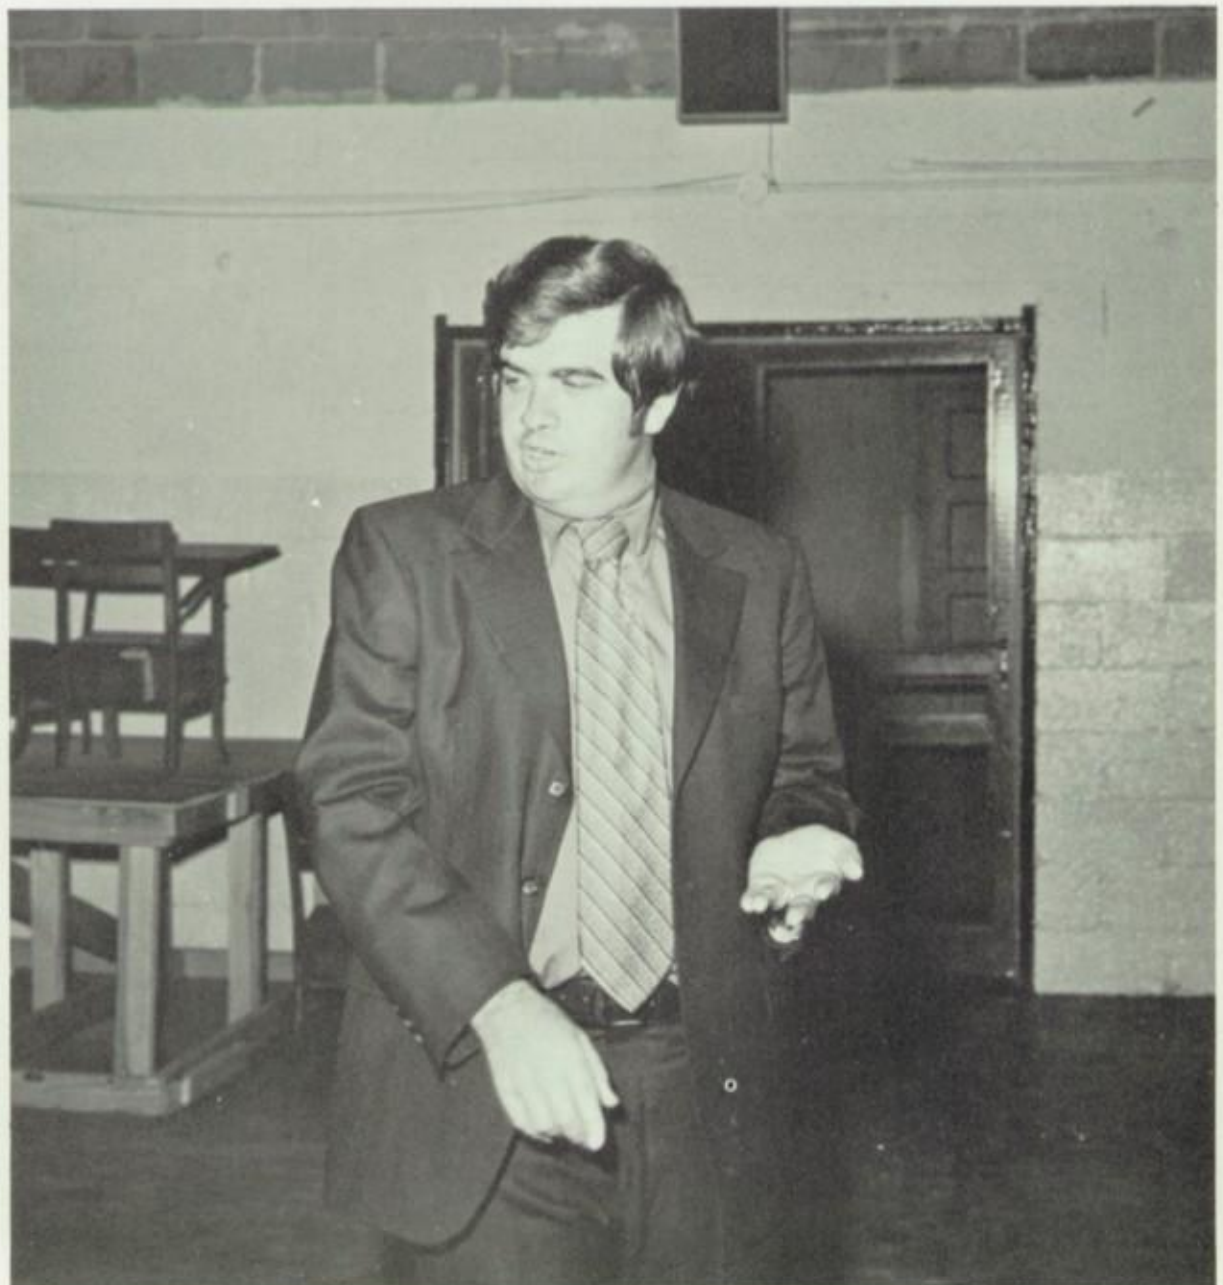

A person loved by all students and a man who is always willing to lend a helping hand or an understanding ear. We dedicate the 1971-72 HORNET to

Mr. Charles
Coon

In Appreciation

The 1971-72 Annual Staff thanks you for your time and effort in helping develop, in 3 short years, a band which has become an essential part of Dallas County High School. You have been a friend to all and your humor will always be remembered. Thank you,

Mr. Ivey
Griffin

together!

Remember People

People - we've got people!
Candy men, people sleeping,
people in love, people look-
ing for love, "our Hornet,"
people confused, even dogs
and pups, people getting tans,
people eating, and sometimes
studying.

Remember the excitement of winning!
